Sir,

Subject: Payment of an allowance of Rs 5/- P M to the Mechanic for looking after water supply from the two new bores near Kandavara in Chikballapur Town

I have the honour to forward herewith a copy of the resolution of the municipal council, Chikballapur Town dated 29-11-46 regarding the payment of an allowance of Rs 5/- P M to water supply Mechanic Govindaraju and to state that the Mechanic in question was looking after one bore well situated near the Mission Hospital in the Town and was given a pay of Rs 20/- P M Two new borewells were sunk near Kandavara to improve the water Supply to the Town and an additional establishment of two helpers and one watch man was sanctioned for looking after these Two Bore wells by Government in their order No L 8150-24-46-64 dated 2nd December 46, cost being met out from the closing balance of the Municipal Council The President reports that the mechanic Govinda Raju was also put incharge of these two bore wells from 18-7-1946, the additional establishment sanctioned above being allowed to help him to go on with the work of water supply

The mechanic Govinda Raju has represented that his pay is very meagre and that as he is entrusted with two more borewells, his pay may be increased The municipal council, Chikballapur Town who considered this subject at their meeting held on 29-11-46 resolved that the Mechanic may be paid an allowance of Rs 5/- P M for his extra work The Council at their meeting held on 8-4-47 have resolved that this extra expenditure may be met from the closing balance of the council

The proposal of the Council is reasonable as the mechanic has
